## Foreword

### Chairman, IFCR International

Dear All,

Greetings from IFCR International board.

The following are few updates on the future International IFCR events.

The next major event on the international scene is the 9th World Festival. It will be held at Christchurch, New Zealand in February 2017. The Festival committee has been formed and they have started their assignment. Updates will come closer to the Festival date.

The other major cricket Festival which has been of interest of late to IFCR members in the Indian Sub Continent is the biannual Australian IFCR Festival. The next one will be held in October 2016 near Sydney. Details will follow. I hope the Indian sub continent will have good representation for both. Of course India has its own agenda that has been drawn up by IFCR ( India) and circulated to you all.

With best wishes,  
Ravi Raman

### Chairman, IFCR India

Dear fellow IFCRians,

It has been a very active first quarter of the year 2015 in IFCR world with fellowship cricket played in competitive and festival spirit in India and abroad.

Firstly it was Games Bond 2015 in the first week of Feb'15 (an innovative concept of hosting all popular fellowship games of Rotary at Chennai) initiated by the ever energetic DG of RI 3230, Rtn.Nazar with able support at the planning level by our beloved late Kittu and at the execution level by the veteran Rotarian/IFCRian from Chennai J. Krishnan (who is also affectionately called JK). JK replaced Kittu as the Chairman of the Organising committee of the Games Bond after the unfortunate and untimely demise of the latter in Dec 2014. The Games Bond meet gave us a great opportunity to meet and interact with the entire family of Kittu, who graciously hosted an unforgettable evening in the true spirit and memory of the ever smiling and cheerful IFCR leader, who is no more with us.

Close on the heels of Games Bond'15, we had our own All India IFCR tournament again at Chennai in the last week of Feb'15 with a unique and new tournament concept. It gave an opportunity to 6 out of 12 participating teams to figure in the finals on the last day at the historic Chepauk grounds to vie for 6 different glittering winners/runners trophies which were unveiled by Robin Singh (the former Indian all rounder) on the inaugural day. The tournament concept and the unique opportunity to play at an international Cricket venue was greatly relished by all the participating IFCRians.

The above two events were followed by an IFCR Australia Cricket festival at Bendigo, Victoria (a two hour drive from Melbourne) from 15th to 20th March 2015. 15 IFCRians from India participated in the festival (inclusive of a full team of 12 from RI 3201, Kochi Tuskers apart from Ravi from Chennai, Sarathy from Hyderabad and Pradeep from Mumbai). The Kochi team, who were taking part in an international IFCR festival for the first time, thoroughly enjoyed the festival concept,

comradere and the spirit with which the games were played and soon became very popular amongst the Australians.

The trip also gave a great opportunity for the visiting Indian group to go for a MCG stadium tour at Melbourne (courtesy our IFCR comrade Richard Groom who is a MCG tour volunteer). It also gave all of us opportunity to watch couple of ICC World cup games including the Quarter Final game of India and Bangladesh at MCG, with our own IFCR friends PDG Ishtiaque and Rtn.Salauddin from Bangladesh as company. I, personally, had the pleasant opportunity of being a part of a weekly meeting of RC Doncaster (where I could address the members on IFCR) and also along with my wife had an unique experience of being a part of Probus club's excursion to Blue waters Lotus garden on the out skirts of Melbourne. We also had an extended visit on that day to an Australian Zoo (courtesy Jill and Richard Groom who are the office bearers of the Probus club).

David John Lea, an 80 year old Rotarian from festival hosts RC South Bendigo, was indeed a great personal host for us during our stay in Bendigo and he inspired us by his cheerfulness, fitness and energy levels. Being a veteran cricketer, teacher and a widely traveled parliamentarian from Victoria, he was a great company to us in Bendigo and spared his valuable time to show me and my wife around Parliament house in Melbourne.

Thus it was an eventful first quarter of the year for IFCR in the year 2015, with not many activities slated during the ensuing quarter, that is summer season. Looking forward to report to you all again in future with more IFCR activities as and when they unfold in different domains of IFCR( India). I once again request all the regional leaders of IFCR to share their activities with pictures every quarter to enable us to insert the same in our News Letter for wider circulation and recognition.

With warm regards and best wishes to all,

KRP Sarathy

## Games Bond '015 – A Unique International Sports Festival - A report by Rtn. PP J. Krishnan

DG Nazar honouring Visitors from Lithuania

What a unique event! This week-long Festival of Cricket, Tennis and other Sports activities between Feb 1 and Feb 6, 2015 brought over 60 international Rotarians and their families from 7 overseas countries (Australia, Bangladesh, Lithuania, Malaysia, Mauritius, Sri Lanka and United Kingdom) to Chennai. They were joined by another 20 Rotarians from India (Mumbai, Hyderabad & Chennai). The event lived up to its name and theme – **“Games Bond ‘015 - Play Together, Bond Together”** – and has built lifelong friendships between international Rotarians.

The overseas visitors included an incumbent District Governor from RI Dist 1110, U.K (Rtn. Michael Jackson) and a PDG from RI Dist 3280, Bangladesh (Rtn. Ishtiaque Zaman), who participated and added to the stature of this event. We also need to acknowledge the tremendous effort taken by Rtn. Ishtiaque Zaman and Rtn. Qumruzzaman Khan Tipo of Bangladesh, who motivated a group of close to 30 Rotarians and their families to attend this festival.

The week-long festival was inaugurated at a gala function on Sunday, Feb 1, 2015 with RID P.T. Prabhakar as the Chief Guest and former Indian Test cricketer V.V. Kumar as the Guest of Honour apart from our DG I.S.A.K. Nazar and a galaxy of PDGs. It was certainly colourful to see all the contingents from the overseas countries and India march up to the stage with their country flags.

Though the Rotarians played cricket (at the lovely Marina Cricket Ground) on four days of the week, the game itself was merely a way to bring Rotarians together. Four teams were formed and named U Thant XI, Kofi Annan XI, Ban Ki-moon XI (after Secretary Generals of the United Nations) and Paul Harris XI. Each team consisted of players from different countries. Rtn. Norman Brown (UK), Rtn. Rob Kilcullen (Australia), Rtn. Ishtiaque Zaman (Bangladesh) and Rtn. Ravi Raman (India) were the captains and they were able to quickly mold their teams into cohesive units. We had also the presence of IFCR( India) Chair KRP Sarathy from Hyderabad on all the four days of the festival as he specially came to pay his personal tributes to Kittu and meet his family. The bonding started to happen both on and off the field and everyone started to engage in the matches in a unique mix of competition and participation. It was terrific to see Rtn. Bob Brigden (Australia, who is 70 +), playing alongside younger Rotarians from Bangladesh, Sri Lanka and India. We have to specially acknowledge the spirit and dedication of Rtn. Richard Groom (Australia, 75 +) who had traveled all the way and officiated as umpire, standing in the hot sun of Chennai, throughout the week.

On Friday, Feb 6th, the international Rotarians played cricket with the boys from Dr. MGR School for the Hearing & Speech Impaired (part of a project supported by RC Madras Midtown, where the boys are coached in cricket) and made it a memorable day for all the participants.

Apart from engaging in friendly cricket contests, the visitors were exposed to Rotary activities in District 3230, as well as cultural activities throughout the week:

- On Monday, Feb 2nd, they attended the meeting of the newly formed RC Madras Anna Nagar West on the occasion of the Club receiving its charter from DG Nazar.
- On Tuesday, Feb 3rd, the overseas Rotarians and the participating Rotarians from India had a relaxed evening at Madras Cricket Club, Chepauk, providing an opportunity for the musical talents of various countries to burst forth. The singing (in many languages – including Lithuanian and Bangla) and the accompanying dancing ensured that all cultural barriers were broken and the spirit of oneness was established.
- Games Bond '015 was originally spearheaded by our dear Rtn. Kittu Krishnaswamy who passed away in Dec 2014 in the most sudden and unexpected manner. To commemorate his memory, the group attended a special function organized by Kittu's family on Wed, Feb 4th – most aptly christened "Celebrate Kittu". DG Nazar, DG Mike Jackson (UK), Rotarians Norman Brown (UK), Richard Groom (Australia), Ishtiaque Zaman (Bangladesh), Sarathy (Hyderabad), Sridhar & J Krishnan/JK (Chennai) recollected numerous instances and interactions with Kittu that highlighted his eternal sense of humour, energy and enthusiasm. Kittu's charming wife Nandini, in the midst of her grief, participated in the function and shared an anecdote that brought out the essence of Kittu's amazing personality. The whole evening was orchestrated in the most unique and wonderful manner by Kittu's son, Rtn. Vaidyanathan.
- The Light-up Secretaries of District 3230 organized a cultural evening at Hotel Residency Towers for our international guests. Apart from DG Nazar, RIPE John Germ, his spouse Judy Germ and RID PT Prabhakar graced the occasion. Our guests were treated to a variety of folk dances in which they actively participated. The ladies from Bangladesh and Lithuania were dressed in

lovely silk saris, applied mehendi on their hands and danced the dandia with great enthusiasm.

- The visitors witnessed an awesome wheel-chair tennis tournament conducted by RC Madras Industrial City that showcased the talents of players from various parts of India, who were physically challenged.

Our international guests also attended and participated in "Saraal", the District Conference of RI District 3230, on Feb 7th and 8th. The entire team was welcomed on stage during the District Conference, each individual honoured and recognized.

A dedicated team of over 20 Rotarians of RI Dist 3230 have worked tirelessly for over 12 months, planning, organizing and conducting this event to international standards. Initially chaired by our dear Kittu, who along with DG Nazar, conceptualized and gave shape to this event, it was subsequently wonderfully and efficiently coordinated by JK (J.Krishnan) a senior Rotarian/IFCRian from RI 3230, who is very popular in Rotary/IFCR across the world.

The week-long event certainly met its objective of creating bonds of friendship between international Rotarians while engaging in a common passion for sports. Here are a few comments from our overseas Rotarians that they sent to us on their return to their countries:

*"What a great time Liz and I had in Chennai, it really was a very enjoyable and memorable experience. Please pass on our thanks to all those that helped to give us such a great time, and we have both decided that Chennai is a must to be revisited soon!"* – **Rtn. Norman & Liz Brown, UK**

*"My spouse Tahia and I as well as all the visiting members of IFCR Bangladesh were so pleased with the wonderful hospitality accorded to us at Chennai recently. I have simply no words to convey how happy we all were with the warmth that you showed to us. We were touched. Thank you so much for this gesture".* – **Rtn. PDG Ishtiaque Zaman, Bangladesh**

## "ALL INDIA IFCR TOURNAMENT AT CHENNAI :: FEB 2015".

After the successful trip to Nottingham IFCR World Festival in July 2014, we had our first All India IFCR T20 tournament in Chennai between the 26th Feb to 1st March 2015.

It was well received and 12 teams participated in this tournament. 2 teams each from Mumbai / Kolkata / Kerala / Bangalore / 1 from Hyderabad along with Vijayawada & 3 Teams from Chennai.

The Inaugural Function and Opening Ceremony of the Tournament was held on the 26th Evening at Hotel Clarion which was a grand function.

The special guest for the evening was our Ex-Indian cricketer Robin Singh. The function's Chief Guest was our Rotary District 3230 Governor Isak Nazar & alongside were IFCR World Chair R. Ravi, IFCR India Chair K. R. P. Sarathy, IFCR India Secretary R. Neelakantan, Tournament Chair Vishwanathan Krishnan & Vice-President TNCA Rtn. V. Ramesh were also present on the the dias.

The Inaugural Function had all the necessary ingredients of a typical Cricket Tournament & it was declared open by our district governor and the unveiling of the trophy was done by Robin Singh. Since this tournament was held after the sudden demise of our Ex-IFCR World Chairman Kittu, it was named after him as "**KITTU MEMORIAL TROPHY**". This time there were five turf grounds used for this tournament.

The major innovation of this tournament was the new concept of introducing 3 different level of final matches where 6 teams out of the 12 teams featured in the finals. There were 3 winners and 3 runners emerging from this event and highlight of this tournament was that all the 3 different finals were played in MA Chidambaram International Test arena at Chepauk Chennai which is the first ever time in the history of IFCR since 1995 that matches were played at an existing test arena.

A special thanks to TNCA (Tamil Nadu Cricket Association) President / Vice President and the executive committee who made this dream come true to as many as 70 Rotarians who had the opportunity to play at the test venue.

## ALL INDIA IFGR TOURNAMENT AT CHENNAI.....

The finals were named "Elite Cup", "Plate Cup" and "Friendship Cup". This was well appreciated by all and it only paved opportunity to more than two teams to play in the finals instead of the normal two teams featuring in a final, thanks to the innovative idea of "Vishy" the tournament chair.

We had all the three days packed with fun and joy. The final six teams which played in the three different finals were CRSK, Chennai vs Bangalore Royals for the "Elite Cup", Kerala Tuskars vs Mumbai Masters for "Plate Cup" & Cochin Warriors vs CRK, Chennai for "Friendship Cup".

The "Elite Cup" was won by CRSK, the "Plate Cup" was won by Kerala Tuskars and the "Friendship Cup" was won by Cochin Warriors.

The prize distribution was held at the M. A. Chidambaram stadium which brought the tournament to a grand finish.

I take this opportunity to thank one and all who supported this event by participating in large numbers and made this wonderful tournament happen.

## IFCR AUSTRALIA FESTIVAL AT BENDIGO:::15th to 20th MARCH 2015 (A report by Richard Groom/Anthony Plant :::IFCR Australia)

The historic town of Bendigo in Central Victoria was the site for the 2015 Australian national IFCR festival. It was greatly enhanced by having a wide representation from overseas – a full team from IFCR Kerala in India led by Reji Chacko, three individual Indian IFCR members, World president Ravi from Chennai, India President Sarathy ( with his spouse Sandhya) from Hyderabad and Pradeep from Mumbai, PDG Ishtiaque and Rtn Salahuddin from Bangladesh, Rotarians Brendan and John from Warkworth in New Zealand and past GB&I chairman Norman Brown ( with his spouse Liz) from England.

In all some 55 members took part. Cricket games were played on Monday, Tuesday, Thursday and Friday as usual. The first two days saw teams representing Kochi, Queensland, Victoria and a Combined Western Australia and South Australia. Thursday saw the Quarter Final of the World Cup which was attended by the Kochi team and a few others so the fourth team on that day was drawn from local Bendigo cricketers. Friday's games were played between mixed teams.

The opening night's gathering was attended by the mayor of Bendigo, Peter Cox, and featured Marney McQueen, cabaret and TV performer and daughter of past Australian IFCR president, Don McQueen.

A Tuesday morning walking tour was attended by a number of partners of players. Wednesday cultural outings took parties to Echuca by bus for a 2 hour boat ride and lunch on the paddle steamer 'Canberra' while others went on an excursion to the Great Stupa which is the largest Buddhist temple in Australia.

Rotary club of Kangaroo Flat hosted a delightful barbecue at their clubhouse on Thursday evening.

The closing function on the Friday had the DG of D9800, Murray Verso, in attendance and featured a most interesting address by Malcolm Speed former CEO of Cricket Australia and CEO of the International Cricket Council. During the evening recognitions were presented to Ian Robertson and Richard Groom for their participation in 100 IFCR games.

As always with these festivals fellowship was the winner allowing attendees to renew acquaintances with fellow members and meet new members from home and abroad.

## Cochin Tuskers Participate in Bendigo Cricket Festival (Report by Reji Chacko, IFCR Chairman Kochi, RI 3201)

A team of 12 Rotarians from IFCR District 3201, participated in the Bendigo Cricket Festival held in March 2015. Playing as the 'Cochin Tuskers', the team comprised of Rotarians from various Clubs in Kochi and with ages ranging from a young 32 year old to an experienced 67 year old. The *Cochin Tuskers* won all their games with sound performances from all players.

The Bendigo Cricket Festival was organised by the Rotary Club of Bendigo South and was held between March 15 and 20, 2015. It attracted participation from Rotarians in Australia, Bangladesh, England, India and New Zealand. While the *Cochin Tuskers* played as a full team of 12 players, other participants were divided into teams representing Victoria, Queensland and a United team (made up of members from different countries). IFCR World Chairman Ravi from Chennai, IFCR India Chairman Sarathy from Hyderabad and IFCR Bangladesh Chairman Ishtiaque played for United and Veteran IFCRian Pradeep from Mumbai played for Queensland.

Matches were held on a round robin basis with each team playing every other team. The Festival rules stipulated 35 over games, with batsmen having to retire upon scoring 35 runs. Each bowler could bowl a maximum of 5 overs, and could not bowl after taking 4 wickets.

The Festival was a celebration of the game of cricket. Matches were played in excellent spirit with each game

starting with a self-introduction by the players of the team, and a toast to the spirit of the game. At the end of each match, there was a succinct, humorous round-up of the day's play delivered by representatives of each side and an opportunity for the teams and families to mingle.

The Festival opened with a fabulous cocktail party at the Schuller Studio on 15th March with a stellar musical performance by Australian TV star Marney McQueen and concluded with a gala closing ceremony on March 20, the highlight of which was the keynote speech by Mr. Malcolm Speed, former CEO of the ICC. The Rotary Club of Bendigo South deserves kudos for organising and managing proceedings with such precision, goodwill, good humour and in the true spirit of Rotary.

Members of the Cochin Tuskers team were full of praise for the manner in which the Festival was run. All members thoroughly enjoyed the week of cricket and camaraderie, so much so that the players are now waiting with bated breath to participate in the next such Festival.

Our intention of participating in the Bendigo IFCR Festival was for better fellowship and strengthening friendship with international Rotarians and our motto was that "winning the hearts of fellow Rotarians is more important than winning games". We are proud to say that we have achieved both.

## Secretary, IFCR India

Dear All

During the IFCR Chennai event we had the IFCR (India) Executive committee meeting on 28th Feb 2015, where many issues were discussed in detail by all present. The "Minutes of the Meeting" has since been circulated to all IFCR regions & acknowledged and thus adopted. Certain new rules adopted will be implemented in all future IFCR tournaments.

After the IFCR Chennai tournament a full team from Kerala, Cochi Tuskers and Ravi, Sarathy & Pradeep Godbole participated in the Bendigo Invitation IFCR Festival in Australia. They all had a great time and enjoyed the Rotary cricket fellowship and also ICC World Cup games. A separate coverage of their OZ trip is included in this news letter.

IFCR Tamilnadu has new office beares now headed by Vishwanathan Krishnan (Vishy) as the Chair. His team of office bearers will be announced shortly.

IFCR( India) EC has approved the next All India IFCR tournament at Bengaluru from 1st to 4th Oct 2015 to be hosted by IFCR Karnataka. The details of the tournament will be circulated by the hosts ( in co-ordination with IFCR-India) in due course of time

IFCR( India) EC has also approved the next year All India IFCR Tournament in Kochi in the month of February 2016 to be hosted by IFCR 3201, Kochi. The details will be circulated at an appropriate time by the hosts.

As mentioned earlier IFCR Namakkal chapter headed by Sureshkumar has proposed to have a triangular inaugural IFCR tournament for southern Rotary districts in the month of June or July 2015. The details are awaited.

Thanks and regards

R. NEELAKANTAN
